

ROMCO Engine Services

Different Rebuilds For Different Needs

ROMCO Engine Services can rebuild any make or model of diesel engine to your specifications. Start by choosing from the basic packages, Blue, Red and Gold. You can further specialize the rebuild by adding or removing options until you get exactly the service you need.

Blue

- ◆ Completely disassemble, clean, inspect, and measure to ensure all parts meet OEM specifications
- ◆ Replace all parts not meeting OEM specifications
- ◆ All new piston rings
- ◆ All new connecting rod bearings
- ◆ All new main bearings and thrust washer
- ◆ Cylinder head rebuild
- ◆ All new gaskets and seals
- ◆ Test all injectors, rebuild injectors if needed
- ◆ One hour run-in test
- ◆ Record compression, leak down, oil pressure, and crankcase pressures
- ◆ All new oil and fuel filters
- ◆ 3 months or 300 hours (which ever comes first) on parts and labor

Red

The entire **Blue Package** plus:

- ◆ All new pistons, cylinder sleeves, and piston rings
- ◆ Inspect oil pump and water pump
- ◆ Reseal and calibrate fuel injection pump to OEM specifications
- ◆ Test, rebuild, calibrate and repair all fuel injectors as needed
- ◆ Two hour run-in test
- ◆ Shipped with new oil and fuel filters and belts
- ◆ Paint completed engine
- ◆ 6 months or 600 hours (which ever comes first) warranty on parts and labor

Gold

The entire **Blue Package** and **Red Package** plus:

- ◆ Rebuild connecting rods, replace with new rods if needed
 - ◆ Rebuild oil pump, replace with new oil pump if needed
 - ◆ Rebuild water pump, replace with new water pump if needed
 - ◆ Rebuild turbocharger, replace with new turbocharger if needed
 - ◆ Rebuild and calibrate fuel pump to OEM specifications, replace with new fuel pump if needed
 - ◆ Three hour run-in test
 - ◆ 9 months or 900 hours (which ever comes first) warranty on parts and labor
- Volvo gold package rebuilds will match OEM warranty of 12 months or 2500 hours (which ever comes first)

OPTIONS FOR ALL PACKAGES:

- ◆ Rebuilt starter installation
- ◆ Rebuilt alternator installation

Note: Additional 3 months and 300 hours of warranty is added to each package when your engine is installed by a ROMCO service department.

FAMILY OWNED. TEXAS BASED.
SINCE 1961.

An inspection tear down fee will apply to all engine packages, if ROMCO does a tear down and does not perform the rebuild. All estimates based on components being rebuilt. Components that cannot be rebuilt will be quoted accordingly. Rebuilds may or may not use OEM parts. Any accessories extra. All engines run-in with post run-in filter checks. Engine pull-outs and installs available at your nearest ROMCO branch.
